Dormitory Arrangements

In the Main House:

(Normally used for girls)

Downstairs:	Oak Room	12	(or 13 with a foldaway bed)
Upstairs:	Blue Room	10	(or 11 with a foldaway bed)

In the Outbuildings:

(Normally used for boys)

Hayloft:		11	
Stable:		11	(or 12 with a foldaway bed)
West Wing*:		6	(better with 4 or 5 though)

* Not normally used with small groups

Staff bedrooms

These are located around the house & outbuildings as follows:

- Room above the kitchen in the house (can be use as a single, twin or double).
- Single room next to the Blue dormitory in the house.
- 2 single rooms next to the Hayloft.
- Single room adjoining the Stable & West Wing.

The normal maximum staff complement is 6 (4 singles and a twin). We can make another room available when greater staff numbers are requested.

We have found from experience that life is generally more peaceful if the girls are in the main house. Where numbers or other circumstances point to a different arrangement we shall be happy to discuss the matter with schools before the visit. Please telephone or email if the need arises or it seems difficult to fit everyone in.

Bed Wetting

Please advise possible bed-wetters to bring a duvet, **not** a sleeping bag, an extra bottom sheet and extra nightclothes. Our beds have waterproof covers for occasional mishaps but regular bed-wetters should bring a waterproof sheet too. This can be fitted while the room is empty. We endeavour to work with you to ensure the minimum of embarrassment for the child.
