

Education Away Cancellation Policy

Deposits will not be refunded in the event of your cancellation. The only exception to this is if we secure a booking of equal or greater value on the same dates as your booking or if we are able to move your visit to another mutually acceptable date in the same calendar year.

If you have paid in full, which is likely to be within 4-6 weeks of your visit, and then have to make a late cancellation, we will make a refund of any coach costs where we are able to cancel any coach travel booked by us. We will also refund the relevant amount we do not spend on food etc.

All schools are strongly encouraged to take out insurance cover for their visit.
