## Eat Well For Less

The hit BBC One prime time series 'Eat Well For Less?' are currently in production with a brand new series of the show. Applications are now open and they are currently on the lookout for fun and lively families who would love to save some money on their weekly shop and eat more healthily.

The show follows Masterchef's Gregg Wallace & award winning greengrocer Chris Bavin on a mission to prove that it is possible for families to save money on their food budget without scrimping on taste and nutrition. They hope that by analysing the shopping habits of UK families, they can help to show where we can source the best and cheapest quality food.

## Colourdome

Year 4 had a great time in the inflatable dome doing experiments in the dark! They used torches, lasers, glowsticks and much, much more to discover the marvels of colour and light.

## Missing Items of clothing and Trainers

Please could you check that your child has their own jumpers, coats or trainers as a few have been mislaid and may have been taken home by mistake.

## Stardome Planetarium

Year 5 had a marvellous day in the Planetarium learning lots about the planets and space as well as sharing fabulous facts about the earth, sun and the moon!

## An Upside Down Fairy Tale

Year 6 have come dressed as the witch or Hansel or Gretel today from the classic fairytale, Hansel and Gretel. There's a twist though; they've come as opposite characters for our Big Write' topsy-turvy fairytale! No scary witches, just nasty children!

## Hot Chocolate Friday

Well done to the pupils who have gone 'above and beyond' this week.

## Action for Children The Bridge Project
