Space Chase, Summer Reading Challenge 2019

It is once again the time of year when Conwy libraries are encouraging children to engage with the national Summer Reading Challenge.

This year's theme is **Space Chase**, inspired by the 50th anniversary of the first moon landing. their local library. Last year 1,790 children took part in Conwy!

We would welcome your support to increase these numbers this year and inspire even more children to experience the joy and sheer escapism to be had from reading a book for pleasure.

Children who wish to take part in the challenge can visit their local library and will be given a Space Chase folder, collecting stickers and other incentives as they work their way through the challenge. Children who complete the challenge by reading a minimum of 6 books and visiting the library 3 times will receive a medal and a certificate.
