Mission to Mars

Year 3 have been learning about how a robot can safely land on Mars. With the help of Technquest Glyndwr they have designed and made protection for an egg. It was great fun dropping their creations to see if their design had worked and the egg hadn't cracked!

Glan Llyn 2019

The weather was incredible at Glan Llyn for pupils in Y6. Everyone had a fantastic time immersed in the Welsh language and doing all sorts of activities from canoeing on Lake Tegid to rock-climbing, archery, ten-pin bowling and raft building!!

Beach Clean Up.

This week we were invited by Jan from Tesco to go and spend time picking up litter from Abergele Beach. We were filmed by Abergele Local TV and the North Wales Local TV. The children worked very hard searching for and picking up all types of litter. The fruit, cakes and drink as a reward from Tesco were highly appreciated. The children behaved fantastically and it was lovely seeing them out working to improve the environment in their community and beyond.
