Y3 Archaeological Activity Session

On Wednesday, Year 3 became trainee archaeologists. They helped 'Cerys' from the British Museum determine what Celtic artefacts had recently been discovered in North Wales. The pupils participated in an archaeological dig, they translated the Ogham alphabet to decipher messages found on stones, they sieved and categorised pottery, put together a broken Celtic shield and carefully drew a beautiful Celtic necklace. The pupils gathered the necessary information for Cerys and the British Museum then sent it off just in time! A super afternoon had by all.

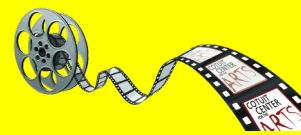

Cross Country Team

A huge well done to our Cross Country Team who competed at the Urdd Cross Country Competition on Wednesday. Libby and Enya came 2nd and 3rd in the Y3/4 race. Lauren and Madison came 3rd and 4th, Harvey and Hayden came 2nd and 6th in their Y5/6
