KITTEN and PUPPY STARTER!**

KITTEN STARTER £114.48 (~~£127.20~~)
PUPPY STARTER £110.31 (~~£122.57~~)

As a member of our **Pet Health Club**, you'll receive a **10% discount** on everything you need to start your puppy or kitten on the road to health, and you'll also receive a **10% discount** on microchips and neutering. After the initial 3 months' supply, you'll be able to collect all your flea and worm medication for the rest of the year with no further charge. Even better, next year's vaccinations will be "FREE"! (i.e. it's covered by the Health Club payments).

The starter price includes:

- A half hour consultation with a vet where your pet will receive a nose-to-tail health check.
- Full course of vaccinations, protecting your pet for the first year of its life.
- Full flea and worm cover for 3 months.
- Monthly progress check-ups with your own kitten or puppy nurse.
- New pet pack including money off puppy or kitten food and information leaflets.

Your puppy or kitten will be fully covered for roughly the first 6 months of his or her life, and you will have the added benefit of having your own dedicated nurse whom you can phone or visit whenever you have any questions about the new addition to your family.
